

Advanced Techniques in Mediumship

This class is intended for mental mediums who want to connect with spirit communicators in more profound ways thereby paving the way for better evidence and clearer messages.

You will be required to stretch your abilities in putting these techniques into practice so as to best benefit in further developing your rapport with Spirit.

Therefore, hands-on application will be stressed with your fellow students.

Topics include:

- Becoming the Communicator (Various Methods to Better Blend with Spirit)
- Keeping a Mediumship Sitting with Spirit (How to Avoid Falling Into the Psychic)
- When to Psychically Read a Spirit Communicator (Not the Client) During a Sitting
- Double-Demming (Demonstrating)
- Your Body in Motion (the Kinesthetic Spirit Connection)
- Keeping the Conversation Going with Spirit and Your Sitters Interested (No Dead Air Space)

Your tutor is Chris DeSerio, MA, CHt, trance medium, energy healer, and metaphysical teacher/tutor. His start was as a child engaging in psychomantuem and picking up Spirit via clairsentience. Chris later took his experimentation and curiosity and applied himself in studying with the likes of Audrey Willey of the Woodlands Sanctuary (AU), Simone Key (UK), Stella Upton (UK), and a host of other teachers and tutors throughout the States and abroad as well as engaging in an expansive path of learning, research, and practice on his own so as to develop his unique style in delivering his psychic gifts and those of Spirit as well as sharing in this process.

Offered April 8th, 2017, 1:00 PM - 4:00 PM, \$55.
